Dear Spouse,

I'm excited to kick off the Community Hospital 100 spouse program!

This year, we are celebrating this community, our history and our future. There are activities specifically for spouses-only, as well as plenty of time to spend with your 'better half'. You're an important part of this community and I hope you enjoy the program we planned for you.

To make Community Hospital 100 the best possible, I'd like to hear from you! Please send me your email address to stay up-to-date on the event. Also, feel free to contact me with any questions or feedback. My contact information is below. Your input is important to us!

I look forward to seeing you in October.
